

## APPLICATION TO JOIN PLEASLEY PIT NATURE STUDY GROUP (PPNSG).

### ***We aim to:***

- *Study, record, promote, and protect all species of wildlife found in and around Pleasley Pit County Park.*
- *Maintain, enhance and increase wildlife habitat within the above site.*
- *Work with the local community and Derbyshire Countryside Services through partnership projects and education to support and achieve the above aims.*

The PPNSG was established in 2000 following the decision to develop the site now known as Pleasley Pit Country Park, Local Nature Reserve. Its members are volunteers from within the local community and surrounding areas; there is a shared passion for protecting and creating wildlife and its habitat on and around the site. As a member of PPNSG your support ensures that this work can continue and, if you wish, you can become actively involved in the recording, promoting, maintaining, enhancing and development of the diverse species and rich habitat which can be found on and around the site.

### **Annual membership of £7.00 gives you the following:**

- Access to the bird hide (unlimited access with your own key is subject to payment of **£3.00 non- refundable deposit**).
- Four newsletters each year.
- A copy of our Annual Report.
- Reduced price entry to our bi-monthly members' evenings.
- An opportunity to take part in our Saturday morning working party.
- The chance to make a difference at a local level.

### **We use your membership fee to:**

- Produce and distribute the quarterly newsletters
- Produce and distribute our Annual report.
- Support the bi-monthly members' evenings - where we enjoy getting together, finding out about the latest projects and events happening on site and of course where we discuss and often hear about the wildlife in our area, usually from a like-minded enthusiast.
- Support the aims of the group in the protection and creation of wildlife habitat on site which enhances the lives of all our visitors regardless of how many legs.
